

Dear C.L.A. Parents and Guardians,

Thank you very much for taking the time to complete the Family Satisfaction Survey last school year. The information we gathered helps us create classrooms that are vibrant centers of learning, where our caring teachers engage their students in rigorous, culturally responsive experiences so that all children excel. It also helps us ensure that our school is a warm and welcoming environment for every member of our community, and gives us the feedback we need to keep getting better at serving and supporting families.

We use the results of this survey for planning improvement strategies for the upcoming year, and look forward to learning from your feedback. If you would like to take a look at our school's survey results, please visit <https://assessments.dpsk12.org/family-student-surveys>. Please feel free to reach out to me with any questions or suggestions you may have.

Sincerely,
